

# VETRO

A new range of fully glazed partitioning products for open and aesthetically pleasing work spaces. Available in either single or double glazed panels and doors, both with and without customization. An ideal solution for modern office interiors.

LEE  
AR STEEL WALLS

LEE  
MODULAR STEEL WALLS

TROAX®

**Troax Lee Manufacturing** are pleased to offer frameless glazing systems, available in either single glazed or double glazed, including doors.

This range creates an open appearance for offices, reception areas and work areas but retains privacy, especially when designed for acoustic performance.

Joints between sheets of toughened, 10 or 12mm, safety glass can be either silicone or clear plastic jointing sections.

*Standard or Customised designs, including logos*

#### **Door options:**

- ⇒ **Hinged with a frame**
- ⇒ **Hinged without a frame and pivoted at head and floor**
- ⇒ **Single or double**
- ⇒ **Latch lock or spring hinged**
- ⇒ **Single glazed or double glazed with seal**
- ⇒ **Sliding doors –single or bi-parting are available**

### **Performance:**

**Acoustic rating up to 39 dB for single glazed**

**Acoustic rating up to 47 dB for double glazed**
